

Another Memorable Trails & Sails Ipswich Estuary Kayak and Open Space Tour

The Town's Open Space Program hosted another memorable Trails & Sails event paddling in the Ipswich River estuary and walking the trails on the Town's riverfront open space properties. The day started out cloudy and cool, and ended sunny and breezy. It was a pleasure to host participants from Beverly, Georgetown, Rockport and Ipswich. Thanks to the Essex National Heritage Area for sponsoring this special two weekend event highlighting the natural, cultural and historic treasures around Essex County. Ipswich is proud to be part of it!
