

Commonwealth of Massachusetts

Town of Ipswich

Warrant for **Annual** Town Meeting

May 9, 2023

7:00 pm

ESSEX, ss

To the Constable of the Town of Ipswich in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Ipswich qualified to vote in Town affairs to meet in the IPSWICH MIDDLE SCHOOL/HIGH SCHOOL, 134 High Street in said Ipswich, on TUESDAY, THE NINTH DAY OF MAY, 2023 at 7:00 o'clock in the evening, then and there to act on the following articles, viz:

Index of Articles for Annual Town Meeting – May 9, 2023

Article	Title	Submitted By
1	Consent Calendar	Select Board
2	Amend FY23 Municipal Operating Budget	Select Board
3	Finance Committee Election	Select Board
4	FY 2024 Municipal Budget	Select Board
5	FY 2024 School Budget	School Committee
6	FY 2024 Whittier Regional High School Budget	Whittier RVTHS Representative
7	FY 2024 Essex County Technical Institute Budget	Select Board
8	Transfer of FY23 Appropriated Budget Funds to Educational Stabilization Fund	School Committee

Under the Americans with Disability Act, the Town of Ipswich will make every effort to assure that Town Meeting is accessible to individuals with disabilities. Should any assistance be desired in this regard, please contact the Select Boards Office at (978) 356-6604.

DRAFT

ARTICLE 1 – Consent CalendarRequested By: Select Board

To see if the Town will vote:

- (1) To fix the annual salary and compensation of all elected Town Officers as follows: Town Moderator: \$250.00; Select Board: member \$750.00; Chairperson \$1,000.00; School Committee: member \$ 200.00;
- (2) To transfer the sum of \$324,000 as a payment-in-lieu of taxes from the Electric Light Department;
- (3) To hear reports from the Public Safety Building Committee, Public Safety Property Reuse Committee, and the Open Space Committee;
- (4) To see if the Town will amend Section 15-29 of the General Bylaws by deleting the subpart “L.” as follows:

L. Crane Beach Maintenance Fund: funds derived from the sale of Crane Beach parking permits and the Trustees of the Reservation Crane Beach PILOT Agreement, to be expended by the Town Manager (or Select Board) for maintenance and repair of Town-owned or operated parking and pedestrian facilities at Crane Beach in Fiscal Year 2020 and subsequent years.

- (5) To establish the following expenditure limitations for the revolving funds authorized in § 15-29 of the Town Bylaws for FY2024:
 - a. Town Wharf Revolving Fund: \$17,000;
 - b. Beautification Fund: \$5,000;
 - c. Public Health Fund: \$5,000;
 - d. Sanitary Housing Fund: \$7,000;
 - e. Food Inspectional Services Fund: \$27,000;
 - f. Council on Aging Fund: \$100,000;
 - g. Historical Commission Fund: \$5,000;
 - h. Town Hall Custodial Services Fund: \$20,000;
 - i. Shellfish Enhancement Fund: \$15,000;
 - j. Electric Vehicle Charging Fund: \$1,000;
 - k. Health Reimbursement Fund: \$85,000;
- (6) To authorize the payment of any unpaid bills from prior years, if necessary;
- (7) To appropriate a sum of \$437,089, or a greater or lesser sum, from the state for highway improvements under the authority of M.G.L. Chapter 90, or any such applicable laws, and to authorize the Select Board, if necessary, to apply for, accept and borrow in anticipation of state aid for such projects.

Select Board Recommend:

School Committee Recommend:

ARTICLE 2 – Amend FY 2023 Municipal Operating BudgetSubmitted By: Select Board

To see if the Town will vote to amend the Town’s action taken under Article 3 of the May 10, 2022 Annual Town Meeting (FY 2023 Municipal Operating Budget) by transferring \$131,303 from The Stabilization Fund and amend the transfer from the Waterways Fund from \$117,631 to \$120,485, or to take any action relative thereto.

Summary: In reviewing the budget to prepare for the tax rate setting, it was discovered that the line using the Stabilization Fund was inadvertently left off the list of revenue to balance the FY23 Town Operating Budget. The FY23 Stabilization Fund contribution was supposed to be \$131,303. Also, the prior year’s Waterways fund was not updated to reflect the FY23 Harbormaster’s Budget. The FY23 Harbormasters

Budget is \$120,485 and only \$117,631 was funded. Therefore, an additional \$2,854 needs to be transferred from the Waterways Fund for a total transfer of \$134,157.

Select Board Recommend:

School Committee Recommend:

ARTICLE 3 – Finance Committee Election

Submitted By: Select Board

To see if the Town will vote to appoint one [1] member of the Finance Committee for three [3] years from any nominees to be put forward at Town Meeting, or to take any action relative thereto.

Moderator to call for nominations from the floor.

Select Board Recommend:
Finance Committee Recommend:
School Committee Recommend:

ARTICLE 4 - FY 2024 Municipal Budget

Submitted By: Select Board

To see if the Town will vote to hear and act upon the reports of the Select Board and Finance Committee relative to the Fiscal 2024 municipal budget totaling **\$30,157,228**, and to raise, appropriate, transfer money from available funds, and change the purpose of the unexpended balances of prior appropriations, all to be used for the ensuing year's operations, including the compensation of elected Town officers, and to authorize the Town to enter into lease-purchase contracts for equipment having a term of five years or less; or to take any other action relative thereto.

Summary: An annual operating budget must be adopted and funded for Fiscal Year 2024 which begins July 1, 2023. A budget was adopted by the Select Board and submitted to the Finance Committee as required under the Town Charter and general by-laws. Detailed budget information is available on the town website at www.ipwichma.gov

General Government	\$1,026,990
Finance	\$1,130,759
Planning	\$685,685
Public Safety	\$6,148,283
Public Works	\$5,385,035
Community & Cultural Services	\$1,679,494
Benefits & Other Misc.	<u>\$6,096,963</u>
General Fund Total	\$22,153,209

For a General Fund Total of \$22,153,209 including waterways; and

Water Department	\$4,980,493
Wastewater Department	\$2,880,916
Sanitation, Solid Waste, Recycling	<u>\$142,610</u>
	\$8,004,019
Total Municipal Budget	\$30,157,228

And that the following sums be raised and appropriated or transferred to fund the FY2024 budget:

Septic Loan Program	\$33,740
Tourism Account	\$ 2,000
Debt Premium	\$ 580

Overlay Surplus	\$150,000
Waterways Improvements	\$144,460
Raise and Appropriate	\$21,822,429
Water Receipts	\$4,980,493
Wastewater Receipts	\$2,880,916
Sanitation, Solid Waste & Recycling	\$125,610
Sanitation Retained Earnings	\$17,000
Total Funding Sources	\$30,157,228

School Committee Recommend:

ARTICLE 8 - Transfer of FY23 Appropriated Budget Funds to Educational Stabilization Fund

Submitted By: School Committee

To see if the Town will vote to allow the School Department to transfer available funds from the FY23 Appropriated Budget to the Educational Stabilization Fund.

Summary: The School Committee believes that there are unused funds available in the FY23 Appropriation. The intent is to transfer these available funds into the Educational Stabilization Fund for use by the School Department in future years.

Select Board Recommend:
Finance Committee Recommend:
School Committee Recommend:

ARTICLE 9 – Stabilization Funding

Submitted By: Select Board

To see if the Town will vote to transfer the sum of \$XXXXXXX from Free Cash to the Stabilization Fund, or take any other action relative thereto.

Select Board Recommend:
Finance Committee Recommend:
School Committee Recommend:

ARTICLE 10 - Other Post-Employment Benefits Funding

Submitted By: Select Board

To see if the town will vote to raise and appropriate the sum of \$89,410 and to transfer the sum of \$507,724 from Free Cash and to transfer said sums to the OPEB Trust Fund, or take any action relative thereto.

Select Board Recommend:
Finance Committee Recommend:
School Committee Recommend:

ARTICLE 11 – Annual Capital Plan

Submitted By: Select Board and School Committee

To see if the Town will vote to transfer from Free Cash the sum of \$1,649,069, from Overlay Surplus the sum of \$60,000, and raise and appropriate the sum of 71,776 for the following purposes, and that any remaining funds be transferred to the Capital Stabilization Fund:

ARTICLE 12 – The Empower Act

Submitted by: Molly Smith

To see if the Town will recommend to the Select Board that they file a home rule petition with the General Court substantially as follows, viz:

Notwithstanding Section 1 of Chapter 51 of the General laws or any other general or special law to the contrary, any citizen who:

1. is 16 years of age or older, and
2. meets the qualifications to be registered as a voter pursuant to Section 1 of Chapter 51 of the General Bylaws, except that of age, and
3. is a resident of the town of river
4. at the time he or she registers or pre-registers to vote pursuant to said Chapter 51,

may vote therein in all town elections, participate and vote in all town meetings, participate and vote in town caucuses and sign all nominating, warrant, and other petitions authorized by town bylaws.

A person shall be a registered voter of at least 18 years of age to be eligible to serve in elected or appointed town offices or on boards, committee, or other official positions.

Summary: Everyone know how it feels to be left out of politics. We all know what it feels like to work hard every day, trying our best to support ourselves and our loved ones, while politicians, in positions of power, don't seem to care about us. We have been taught this system must persist, but since Massachusetts now bars some of the most highly educated young people in America from participating in the future of our commonwealth it is time for change. As we consider the consequences of our present-

day actions, let us consult the history of our nation as a guide. From the ratification of the 19th amendment, granting women the right to vote, to the passage of the Voting Rights Act, ending an era of Jim Crow voting restrictions, expanding access to the ballot box will always be seen as a step in the right direction. Now, the citizens of Ipswich have the opportunity to move their town in the right direction by expanding the right to vote in town elections to sixteen and seventeen-year olds, giving more residents a voice in creating a community where everyone can thrive.

ARTICLE 13 – Resolution in Support of Changing the State Flag & Seal of Massachusetts

Submitted By: Rebecca Pugh

Whereas the history of the commonwealth of Massachusetts is replete with instances of conflict between the European colonists and the Native Nations of the region, who first extended the hand of friendship to the Colonists on their shores in 1620, and helped them to survive starvation during the settlers’ first winters on their land;

Whereas members of the Native Nation for whom the Commonwealth of Massachusetts is named were ambushed and killed by Myles Standish, first commander of the Plymouth Colony, at Wessagusett (now Weymouth) in April of 1623, barely two years after the Pilgrims arrived;

Whereas the Colonial broadsword held by a white hand above the head of the Indigenous person on the Massachusetts flag and Seal is modeled after Myles Standish’s own broadsword, borrowed for that purpose from the Pilgrim Hall in Plymouth by the illustrator Edmund Garrett in 1884;

Whereas the belt binding the Native’s cloak on the Flag and Seal is modeled after a belt worn by Metacomet, known to the English as King Philip, who was among the Indigenous leaders that resorted to a mutually destructive war in 1675-76 in defense of Native lands against Colonial encroachment;

Whereas the proportions of the body of the Indigenous person on the Flag and Seal were taken from the skeleton of an Indigenous person unearthed in Winthrop, the bow modeled after a bow taken from an Indigenous man shot and killed by a colonist in Sudbury in 1665, and the facial features taken from a photograph of an Ojibwe chief from Great Falls Montana, considered by the illustrator to be a “fine specimen of an Indian,” though not from Massachusetts;

Whereas the history of relations between Massachusetts since Colonial times and the Native Nations who continue to live within its borders includes the forced internment of thousands of so-called “praying Indians” on Deer Island, in Boston Harbor, where they died by the hundreds of exposure in the winter of 1675, the enslavement of Indigenous people in Boston, Bermuda, and the Caribbean Islands, the offering of 40 pounds of sterling as bounty for the scalps of Indigenous men, women and children in Massachusetts beginning in the 1686, increased to 100 pounds sterling for the scalps of Indigenous adult males by 1722, half that amount for Indigenous women and children;

Whereas Indigenous people were legally prohibited from even stepping foot into Boston from 1675 until 2004, when that Colonial law was finally repealed;

Whereas the 400th anniversary of the landing of the Colonists at Plymouth Plantation, which gave rise to the long chain of genocidal wars and deliberate government politics of cultural destruction against Native Nations of this continent, occurred in the year 2020, affording every citizen of the Commonwealth a chance to reflect upon this history and come to an appreciation of the need for better relations between the descendants of the Colonial immigrants and the Native Nations of the Commonwealth;

Whereas the land area now known as the Town of Ipswich, shares a rich Native history with modern tribal Nations such as the Massachusett, the Pennacook, and the Mi’qmaq, who have inhabited this area long before the first colonial settlers arrived in 1633

Now, therefore, **BE IT RESOLVED** that the Town of Ipswich hereby adopts this resolution in support of the work of the Special Commission on the Official Seal and Motto of the Commonwealth, established by a Resolve of the General Court in 2021 and appointed by the Governor to recommend changes to the current flag and seal of Massachusetts, and **in support of a new flag and seal for the Commonwealth** that may better reflect our aspirations for harmonious and respectful relation between all people who now call Massachusetts home. The town clerk shall forward a copy of this resolution to Sen. Bruce Tarr and Rep. Kristin Kassner with the request that they support the work of the aforementioned Special Commission and advocate for a new flag and seal for the Commonwealth.

Summary: None.

School Committee Recommend:

ARTICLE 17– Authorize Select Board as Water Commissioners to Enter into Lease of Farm Field at 16 Mile Lane

Submitted by: Water Department

To see if the Town will authorize the Select Board serving as Water Commissioners as follows:
The Select Board serving as Water Commissioners, are hereby authorized by the Inhabitants of the Town of Ipswich to lease land on the following municipally owned property: 16 Mile Lane, Assessors' Map 29D Lot 021A, on approximately ten (10) acres of land on the 44.71-acre parcel for agricultural use for the purpose of growing row crops, and upon such terms and conditions as such Select Board deems advisable in its discretion, for a period of up to ten (10) years, as authorized under MGL Chapter 30B Sec. 16; or to take any other action relative thereto.

Summary: The 44.71-acre Town property at 16 Mile Lane was deeded to the Town in 2022 as part of the Planning Board Special Permit approval for the development of the 173 Linebrook Road property (formerly the Kozeneski property). The Town took ownership of the property under care, custody and control of the Select Board as Water Commissioners as authorized by the Special Town Meeting vote of October 16, 2021 Article 4, and recorded in Southern Essex Registry of Deeds in Book 40781 Page 777, for the purposes of: water supply protection; preservation of wildlife habitat; open space and scenic vistas; passive public recreation; and continued use of a decades long agricultural operation of a 10-acre farm field operated by Marini Farm. The one remaining farm field is one of two fields that Marini Farms has historically operated to grow row crops on for decades under the previous owners. The Town wants to continue to allow agricultural use of the one remaining 10-acre field and will do so under lease terms that keep water supply protection as a key component. The Water Department recommends the Select Board be authorized to enter into a lease agreement with Marini Farm to continue this valued local agricultural operation.

School Committee Recommend:

ARTICLE 18 - Middle/High School Roofs

Submitted By: School Committee

To see if the Town will vote: (1) to appropriate the sum of \$, to perform a modified roof overlay and partial replacement, where needed, on the Middle and High School Roofs and including the payment of costs incidental or related thereto; and (2) to raise this appropriation by authorizing the Treasurer, with the approval of the Select Board, to issue bonds or serial notes under the provisions of Massachusetts General Laws Chapter 44, as amended, or any other borrowing authority; provided, however, that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by G.L. c.59, §21C (Proposition 2½) amounts required to pay the principal of and interest on the borrowing authorized by this vote. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such

costs by a like amount; or (3) to take any other action relative thereto.

Summary: The Town and School insurance inspector has deemed the Middle/High School roofs uninsurable. The Middle/High School roof has two options. The first is an asphalt roof repair which will cost \$440,000. The other option is a metal roof which is much more expensive but has a longer useful life and costs \$1,890,000. This article is necessary as the roofs that have been deemed uninsurable are only valued at their current actual cost value. This requires a 2/3 majority vote at Town Meeting and a subsequent affirmative ballot vote at the May 16, 2023 election.

Select Board Recommend:
Finance Committee Recommend:
School Committee Recommend:

ARTICLE 19 – Doyon and Winthrop School Roofs

Submitted By: School Committee

To see if the Town will vote: (1) to appropriate the sum of \$1,543,000 to perform a modified roof overlay and partial replacement, where needed, on the Doyon School, Winthrop School and Middle and High School Roofs and including the payment of costs incidental or related thereto; and (2) to raise this appropriation by authorizing the Treasurer, with the approval of the Select Board, to issue bonds or serial notes under the provisions of Massachusetts General Laws Chapter 44, as amended, or any other borrowing authority; provided, however, that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by G.L. c.59, §21C (Proposition 2½) amounts required to pay the principal of and interest on the borrowing authorized by this vote. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount; or (3) to take any other action relative thereto.

Summary: The Town and School insurance inspector has deemed the Winthrop School roof uninsurable and the Doyon roof is currently covered but may be listed as uninsurable soon. The roofs need modified overlay and partial replacement, where needed. The Doyon School roof work is estimated to cost \$993,000. The Winthrop School roof is estimated at \$550,000. This article is necessary as the roofs that have been deemed uninsurable are only valued at their current actual cost value. This requires a 2/3 majority vote at Town Meeting and a subsequent affirmative ballot vote at the May 16, 2023 election.

Select Board Recommend:
Finance Committee Recommend:
School Committee Recommend:

ARTICLE 20 - Water Department Infrastructure Improvements

Submitted by: Water Department

To see if the Town will vote:

- (1) to appropriate the sum of \$2,500,000 to survey, design, permit and construct improvements to the Town's water system, including the payment of costs incidental or related thereto; and
 - (2) to raise this appropriation by authorizing the Treasurer, with the approval of the Select Board (Board of Water Commissioners), to issue bonds or serial notes under the provisions of Massachusetts General Laws Chapter 44, as amended. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount;
- or
- (3) to take any other action relative thereto

Summary: This article will authorize the Treasurer to borrow the sum of \$2,500,000 to replace water infrastructure within the Town of Ipswich. Funds are anticipated to be used to construct upgrades to Dow Dam gate house, discharge, raw water piping and associated appurtenances. The upgrades are required as part of an order issued by the Massachusetts Office of Dam Safety following the dam failure in 2018 and were identified as needed in the 2020 Asset Management Plan. In addition to satisfying regulatory requirements, the upgrades will restore the useful life of these critical assets that provide 60-70% of the town's water and provide operational flexibility and increased use of reservoir storage volume. These upgrades will improve system reliability, resilience and redundancy. The cost of this project will be borne by the Water Department rate payers and will be factored into future budget and rate projections. There is no impact on the tax rate. (2/3rds majority)

Select Board Recommend:
Finance Committee Recommend:
School Committee Recommend:

ARTICLE 21 – Waste Water Department Infrastructure Improvements

Submitted by: Waste Water Department

To see if the Town will vote:

- (1) to appropriate the sum of \$7,200,000 contingent upon award of state and/or federal grant funds in the amount of \$15,000,000, to survey, design, permit and construct improvements to the Town's Town Wharf Sewer Pump Station and related wastewater system components, including the payment of costs incidental or related thereto; and
- (2) to raise this appropriation by authorizing the Treasurer, with the approval of the Select Board (Board of Sewer Commissioners), to issue bonds or serial notes under the provisions of Massachusetts General Laws Chapter 44, as amended. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount; or
- (3) to take any other action relative thereto

Summary: This article will authorize the Treasurer to borrow the sum of \$7,200,000 to improve wastewater infrastructure within the Town of Ipswich. These funds represent a 33% match of grant funds applied for in 2022 in the amount of \$15,000,000 for a total project cost of \$22,200,000. The project involves construction of a new sewer pump station on the edge of the athletic field at 25 Green Street to replace the existing Town Wharf Sewer Pump Station, construction of a new force main from the relocated station to the Wastewater Treatment Plant, construction of a small neighborhood pump station at the Town Wharf and related wastewater system improvements. This project developed as a result of a 2018 evaluation of the existing Town Wharf Pump Station that found significant improvements were critical to the continued operation of the station and the station is not properly protected from sea level rise and other climate hazards. This project was identified as a priority in the 2020 Asset Management Plan and will eliminate existing risks that failure of the current station pose to the Ipswich River, clam flats and area beaches. If grants are not awarded in the amount of \$15,000,000 or greater, this project will not proceed as presented. A request for funding for an alternate project will be made at a future town meeting. The cost of this project will be borne by the Wastewater Department rate payers and will be factored into future budget and rate projections. There is no impact on the tax rate. (2/3rds majority, ballot vote)

ARTICLE 22 – Authorize Select Board as Electric Commissioners to Borrow \$5 Million From USDA ELD

Submitted by: Electric Light Department

Proposed Article: The Select Board, in their role as Electric Commissioners, are hereby authorized by the Inhabitants of the Town of Ipswich to:

- (1) Authorize the Ipswich Electric Light Department (ELD) to obtain \$5,000,000 through an interest-free loan from the United States Department of Agriculture’s (USDA) Rural Energy Savings Program (RESP) for the purpose of developing and implementing a customer financing program;
- (2) Authorize the ELD to hold funds from the USDA RESP loan in an interest-bearing account (working capital account), with interest appropriated to program expenses;
- (3) Authorize officers of the ELD to approve loan applications and to allocate funds from the working capital account to qualified projects; and,
- (4) Authorize the Treasurer and any other appropriate Town officials to take any and all actions necessary and convenient to carry out the provisions of this vote.

Summary: This article will authorize the Electric Light Department (ELD) to borrow \$5,000,000 from the United States Department of Agriculture’s (USDA) Rural Energy Savings Program (RESP). Credit will be accessed incrementally by the ELD, based on annual projections for real expenses until the full amount of the loan (\$5 million) has been exhausted. Funds will be utilized in accordance with program requirements, as outlined by 7 CFR Part 1719. Repayment of borrowed funds occurs interest-free over ten years.

The principal purpose of the loan is to provide working capital to develop and implement a financing program available to customers of the Department. Loan disbursements provide funding that is not derived from ratepayer revenues. The ELD relends these “below-the-line” funds to customers, providing them with upfront capital for eligible property improvements; the ELD then recovers the investment incrementally via a tariff applied directly to the customer’s monthly electric bill. The financing program allows expanded access to energy efficiency and climate resilience improvements, benefitting individual customers and the community as a whole. These funds are available with 0% interest to the ELD; there is no impact on the electric rate.

ARTICLE 23– Town Government Study Committee Report to Town Meeting

Submitted By: Gary Champion

For Meeting to hear and act upon a report from the Town Government Study Committee, and to raise topics that Town Meeting might refer to the Committee for review and recommendations.

Summary: The TGSC is an advisor to the Town Meetings on best practice in town Government. This warrant article will inform Town Meeting of TGSC activities and seek TGSC topics for review and reconsideration. 60 years ago, Town Meeting unanimously established the “permanent” Town Government Study Committee to advise the Town Meeting legislative body on Town government structure and functions within our Town Charter and Bylaws.

The May 2022 Annual Town Meeting approved the GSC bylaw which requires Town Meeting to refer topics to the GSC. A GSC report will enable Town Meeting to fulfill this requirement.
